 EXPEDITED HEARING**

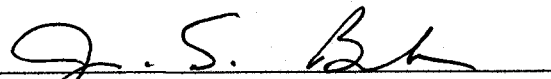

MCC Telephony of the West, LLC ("MCC Telephony") hereby requests an expedited hearing in the matter of the Application of MCC Telephony of the West, LLC for Approval of a Certificate of Convenience and Necessity to Provide Resold and Facilities-Based Local Exchange Service ("CC&N Application"). MCC Telephony filed its CC&N Application on December 24, 2009, and has diligently responded to Commission Staff requests regarding the CC&N Application. The Staff Report was docketed in this case on Friday, June 25, 2010.

MCC Telephony has potential Arizona customers who are awaiting telecommunication services by MCC Telephony. Obtaining certification is critical to meeting the needs of those future customers. MCC Telephony can make its witness available for the hearing on the CC&N Application at the Commission's Offices either in Phoenix or in Tucson. MCC Telephony has

contacted counsel for the Utilities Division and the Utilities Division does not oppose this request.
